Terms and Conditions

Terms: For those attending the auction onsite registration will take place at the auction (proper ID required). Buyers are required to sign purchase agreement and place 10% of the total contract price in escrow (cash or approved check), immediately following the auction, with the balance due at closing. Buyers unknown to Auction Company are required to provide bank letter of credit or certified funds at auction. **Any announcements made the day of sale take precedence.**

Title: Properties will transfer by Mineral Deed (without warranty) and subject to oil and gas leases of record. Abstracts and/or title documentation will not be provided. It shall be the Buyer's sole responsibility to perform their own research, due diligence and examination of all records on properties to satisfy themselves as to the condition of title. Buyers are encouraged to review title on any properties they are interested in, prior to the auction. All information is taken from sources believed reliable; however, no guarantee is made by the auction company, agents, or their employer.

Buyer's Premium: A 10% Buyer's premium (charged to Buyer) will be added to the high bid to determine the total contract price.

Internet-Online bidding: Online bidding will be available through Proxibid for Absentee Bidders unable to attend the auction. In order to bid online bidders are required to pre-register and wire-transfer a "Registration Deposit", which must be received at least 2 days prior to auction.

Securities Disclaimer: This auction is not an offer to buy or sell securities. MineralMarketing.Com is not a licensed U.S. Securities Broker or Dealer, nor a U.S. Investment Adviser. Anyone doing business with MineralMarketing.Com is hereby advised to conduct their own due diligence and consult with a licensed professional before making any investment decisions. This includes purchases made at the above mentioned auction event.

For more information or to receive an auction brochure please contact Ryan Choate (auction manager) at 405-612-4249 or email inquiries to info@mineralmarketing.com
